Automatic Fuel Card Transactions

Easier, more accurate fuel reporting and FTC claims

THE OPPORTUNITY

Fuel is one of your largest operating costs. Without complete records you could be missing out on the Fuel Tax Credit rebate you're entitled to, and opportunities to save fuel across your fleet.

WHAT'S NEW

You can now connect **WEX and Shell fuel cards** to your MyEROAD account to get automatic fuel transactions.

WHY IT MATTERS

- > Stop spending time managing spreadsheets and uploads
- > Get more complete fuel records to help you claim every dollar of Fuel Tax Credit rebate
- > Understand what's driving your fuel spend
- > Identify potential fuel theft or unusual consumption

Available now. One-off set up fee per provider. Talk to sales or your account manager to get set up.
